The Streetking Blueprint

Draft 1.1

Document date - 15 February 2025

1. **What is Streetking?**
   Streetking is the unofficial name for the new innovative platform connecting influencers and businesses for dynamic campaigns. It empowers influencers to grow their reach while helping businesses amplify their message through impactful collaborations.

2. **Purpose**
   To promote businesses and influencers, to create employment for the unemployed youth. As unemployment increases in South Africa. We predict the rise content creators across varies social media platforms. Streetking aims to take advantage of this rapid market growth.

3. **For Profit**
   Streetking is a for a profit business that will provide employment opportunities to the youth in good faith. We hope to create partnerships with global leaders and as so provide them with a financial incentive to partner with us.

4. **Neutrality and Non-Affiliation Statement**
   Streetking maintains a strict policy of neutrality. We do not endorse, support, or engage in any political agendas, nor do we accept political funding of any kind. Additionally, we refrain from making comments or taking positions on public figures or their business dealings. Our platform is dedicated solely to its mission of empowering influencers and businesses through innovative marketing solutions, free from any political or personal affiliations.

5. **Marketing**
   Our platform offers a unique way to connect with your audience by marketing an address where they can meet you in person. You'll need to check the "influencer program" – (this will make you profile public) button under profile once you have created your account and uploaded an address.

6. **Transactions and Emails**
   For transparency and security, all transactions on Streetking are fully tracked and accessible. Email confirmations are automatically sent to both the host and the user upon successful transactions, ensuring clear communication and record-keeping. Financial details, including payment terms and agreements, are

discussed separately to maintain flexibility and transparency between all parties involved.

7. **About the Founder**
   Alec Shelembe

   “Hi as of Aug 17,2024 I have created a platform called Streetking and I intend to create a profitable business. I myself am a professional software developer. I hope to work with you and bring the much need opportunities to the youth to contact me use 0727237808 on whatsapp thank you”.

8. **Legal**

   CIPC documents available at request

   https://streetking.co.za/refund-policy

   https://streetking.co.za/terms-and-conditions

9. **Source Code**

   Software is the core of many businesses I can provide you with the source code for the entire web app + installation It’s a pretty good option if you’d like a different name, your own team, you can do your own thing.
